| <p>According to this source, the main anti-communist underground organization working in Czechoslovakia, mainly in the province of Moravia, is called "9909" and is directed by a former high-ranking Czechoslovak army officer now living in London and probably acting independently from, and rather in opposition to the official Czechoslovak organization in exile. The organization seems to work efficiently and maintains contact with Slovak underground groups.</p> <p>It has been suggested that the person described as a "former high-ranking Czechoslovak army officer" is probably <u>General Lev PROHALA</u> in London.</p> <p>TOTAL PERTINENT INFORMATION ON SUBJECT IN DOCUMENT..</p> | | | |
